FIRST QUARTER 2007  
VOLUME 27      NUMBER 1

THE OFFICIAL PUBLICATION OF THE SOUVENIR CARD COLLECTORS SOCIETY

## AS I SEE IT

**ON THE COVER:** A 200% enlargement of a vignette on F1973A(k) from the IPPDS&EU 75th Convention booklet. I offer this in tribute to our own **Mike Bean** and as thanks for his many years of fine plate printing and continued support for our Society!

◇

Post card dues reminders were sent out on 6 March, as this issue was in preparation, and I hope we will have the vote of confidence from our membership to continue in our 27th year which starts with this issue!

◇

The Bureau of Engraving and Printing, almost as an afterthought, finally posted their proposed cards for 2007. Unfortunately subscriptions were almost due before the announcement was made! I caught it on their website on 6 March, only ten days before it was due! The mailed notice arrived on the 13th, two days before I went to the **Metro Chapter Four** meeting at the Mega Show in NYC. Perhaps because the meeting was on a weekday, there were only eleven members present and there was a suggestion that their card for the show (see p. 7) may be their last. I have had no word on whether **Washington Chapter One** is still producing cards. All this does make it difficult to collect "new" issues, but there must be "holes" in your collections, there are certainly "holes" in mine!

◇

Regency Superior of St. Louis held an auction 23-25 February 2007. One of the lots caught my eye:

"1983 SUMMER OLYMPICS 1984 BEP CARDS [estimate] \$150-\$250 Approximately 600 Bureau of Engraving and Printing cards of Scott C101-04 with BEP October 21, 1983 Washington DC cancel from Philatelic Show '83 in Boston, Massachusetts. Each in a white envelope, cards in pristine condition. Cat \$5400."

"Price Realized" published after the sale indicated a "hammer" price of \$90, i.e., less than 2% of "Cat"! I guess this was a "deal" for the buyer, but what would someone want with 600 of this one card?. I believe the card is B62 (and the Scott numbers are the stamps applied to the cards NOT those on the cards) with a "Visitors Center" cancel. Does it really have a "catalog" value of \$9.00?

Another lot, "17 binders of Commemorative Souvenir Panels" from 1975 to 1998, including \$25± in extra U.S. postage with an "Estimated cat. \$2500" and an estimate bid of \$500-\$700 brought only \$400. My memory says that the binders alone cost more than half that "hammer" price!

## William Kriebel (27)

Tentative plans call for the S.C.C.S. Annual Meeting to be held at the IPMS show, currently scheduled to start on 5 July 2007 at Memphis. Part of the decision rests on whether or not **Mike Bean** will be asked to bring his spider press as the BEP will not participate. There is also the question of the "annual card."

◇

Our former President and Treasurer, **Art Benjamin**, has resigned the latter position. He resigned the former role at Washington 2006, and I was elected "Interim President". For at least the present, I have assumed the Treasurer's position. In the combined "interim" roles, I hope to unravel and solve some of the problems we have experienced. Being retired, I seem to have more time to devote to the job at hand and will continue to try my best.

This issue concludes the last of my role as "Auctioneer", as it includes the last of my duplicates! One member has volunteered to assume the position, but, as evidenced by the sparse number of bids and absolutely NO contact by members with material to offer in the auction(s), I wonder if there is a "need" for an auction. I certainly don't envision one for every issue! Perhaps my "minimums" were too high or everyone has the same duplicates. I ask the membership to submit their opinions on the continuation/frequency, format or whatever. Mini-Auction No. 3 (see pp. 12-15) contains a lot of nice material. Have a look!

### Auction Bids are due 15 May 2007>

◇

Finally, I ask all of you to advise me what you would like to see in these pages. More articles from other works or older Journals? More illustrations of cards? Perhaps you might wish to contribute an article—NO prior experience necessary—with or without illustrations, e.g., why you started collecting, your favorite card(s), housing your collection, etc. This is your Journal, I am only the "facilitator."

The "Visual Reference" series was appreciated by many, but I am at a loss as to what else to illustrate. I may try to do the oversize BEP items, but they certainly won't fit in my scanner! I once tried digital photos which was only partially successful on the ABNCo item. Please help!

The Florida United Numismatist FUN show is huge and seemingly prosperous. This year they invited Mike Bean to bring a spider press, and he made cards at the show. He has three Pulled Proofs from his smaller spider press: a lady symbol of justice in blue ink on a five by eight vertical format, a McKinley card in brown ink in the same 5" X 8" vertical format, and a 8" X 5" horizontal card with three eagles in brown ink with all three cards signed by the plate printer. These were \$10. [see pp. 5-6]

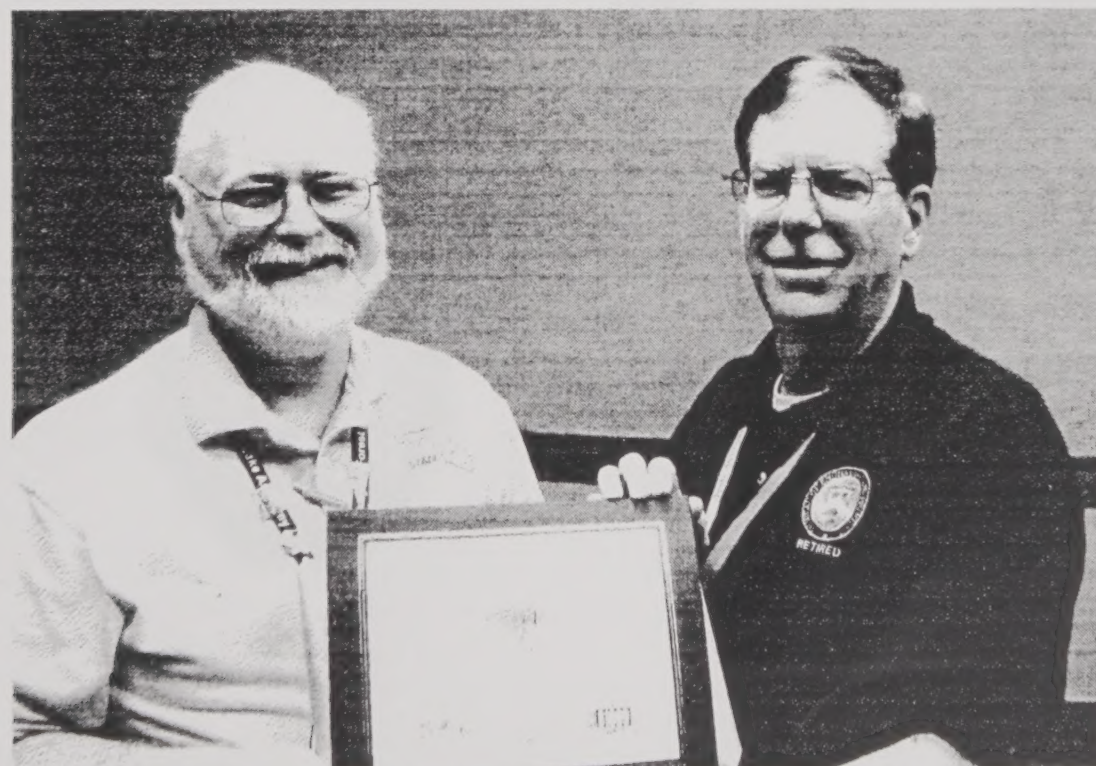

For the show, he created an 10" X 8" horizontal card [next page] that took six passes. "Florida United Numismatists", "Orlando, FL", and the show dates are in orange ink. There is a large vignette of an eagle in brown, two seals in black and one in red and a small "Spider Press Printing" at the bottom. He sold these for \$5.00. Mike generously donated 100 of these cards to the SCCS. [They are available, first come basis, one per member, for \$5.00 plus \$2.00 for shipping. Checks in the amount of \$7.00 should be made out to "Souvenir Card Collectors Society" or "S.C.C.S." and sent to William Kriebel, 1923 Manning Street, Philadelphia, PA 19103-5728. A label with your address would be appreciated.]

Mike also did seven different "note cards" similar to the bureau product on cream stock of 3 X 4 inches. He sold these for the reasonable price of \$.75 each or two for \$1.00. They went like hot cakes.

The Society had a meeting at 2:00 p.m. on Saturday, 6 January at the Orange County Convention Center in the South Hall. The meeting was chaired by SCCS vice president Steve Patrick. The first part consisted of "show and tell" of souvenir cards from Washington 2006. There were about a dozen in attendance including former vice president John Parker, Mike Bean, members Steve Costner and John Wilson, and new member Sidney Crawford of Ozona, FL. Patrick gave a report of the annual meeting in D.C. and discussed cost cutting moves for the SCCS.

A further benefit was that Mike Bean presented a special card to all who stayed to the end of the meeting. The 8 X 10 card was part of the Plate Printers convention book in 2004 and has three vignettes in green ink: an eagle, a woman representing the end of war, and another "goddess" posed in front of the capitol holding an olive branch. John Parker said that this would be considered a \$30 card on its own. [I have an extra copy of this card which I have donated to the S.C.C.S. for this auction. See Lot No. 3. Ed.]

Mike also donated a souvenir folder from the 2006 convention of the International Plate Printers, Die Stampers, Plate Makers and Engravers Union held 21-24 June in Washington D.C. There are eight 8 X 10 cards with intaglio vignettes. It will be placed in the next society auction with proceeds going to the SCCS. [See Lot No. 2, p. 12, this issue.]

John Parker reports that the Bureau will probably go to both ANA shows with the spider press and show cards. The first, called "The National Money Show," will be in Charlotte, NC, 16-18 March, [The other, the "World's Fair of Money," will be held in Milwaukee, WI, 8-12 August 2007.] Promotional material will be mailed out soon.

#### **SOUVENIR CARD JOURNAL BACK ISSUES AVAILABLE**

The Souvenir Card Journal has been produced since 1981. Back issues include informative articles and information not to be found elsewhere regarding souvenir cards and related material. If you missed any:

For 1988 (one combined issue incorporating the first SCCS Catalog), a special price of \$22.50 for a "working" copy. For 1990 through 1998: \$20.00 per year; \$5.00 per issue. From 1999 on: \$25.00 per year; \$6.25 per issue. Note: For a few issues these will be photocopies as the originals have all been sold out or dispersed at shows. All prices are inclusive of postage and handling. Orders or requests for further information should be sent to:

The ASDA Mega Event Postage Stamp Show was held 15-18 March 2007 in New York City's Madison Square Garden. The Metro Chapter held its meeting on Thursday the 15th which was the FDOI of the new Henry Wadsworth Longfellow stamp and the subject of the Chapter's souvenir card. The card is 6" x 8" and is their number M45. Their logo is intaglio in blue, the rest is multi-colored offset printed. The version shown here is the sc FDOI with the new stamp.

(The stamp will have a short life as the postal rates are supposed to increase in early May.) See pp. 19-20 for ordering information.

There is some question if the Chapter will continue with their souvenir card program, so this may be their last card.

## POSTAGE STAMP MEGA EVENT, NEW YORK MARCH 15-18 2007

HONORING HENRY WADSWORTH LONGFELLOW  
ON THE 100TH ANNIVERSARY OF HIS BIRTH 1907

Ed Matukonis (2044) sent an advertisement from the 12 February 2007 issue of *Coin World*. Stack's, a coin and paper money dealer is planning an auction in Baltimore for 19-21 March 2007. The auction is of plates from the American Bank Note Company Archives. For catalogues call 866-811-1804. Their website address is [www.stacks.com](http://www.stacks.com). Unfortunately, it may be over by the time you read this!

◇

The February 2007 *Bank Note Reporter* reports that the dates for the International Paper Money Show (IPMS) in Memphis, TN, have been changed a second time (!) to 6-8 July 2007. The show is normally held in June, but there was apparently a conflict with another convention. This obviously raises havoc with the show's organizers in trying to line up dealers as well as generally fouling up a lot of other schedules. It is my understanding that the BEP will NOT be going to the show. It may be that Mike Bean will take his spider-press and, if so, it will be the location for our SCCS Annual Meeting.

◇

Linn's Stamp News recently noted that in an auction even common stamps that were "graded" highly brought higher prices. I also note ads in *Bank Note Reporter* for grading of paper money with the headline that they will "...Add Value to Your Notes!" Do you think souvenir cards will be next?

◇

I was surprised to see an ad in the "Paper Money Market", a monthly price guide insert in *Bank Note Reporter*, where a dealer had used a modified version of FM-10 (see p. 11) as part of his advertisement! In the March issue, a dealer had appropriated the top vignette from F2004! Souvenir cards seem to get around even though they are not acknowledged! (There was NO FM card issued in 2006 and there is none currently planned for 2007.)

◇

The BEP finally announced their card program for 2007, two cards for two ANA shows: ANA National in Charlotte, NC, and the World's Fair of Money in Milwaukee, WI. They offered a subscription to the two for \$35.00 with a disclaimer that orders had to be received by 16 March to ensure fulfillment. I first noticed the information on their website on 6 March so there wasn't much advance notice! Note: 16 March was the date of the first show and, perhaps like last year, production will be limited. Sorry I couldn't get the news out before now.

Another photo from F.U.N. 2007: (l. to r.) John Parker, Mike Bean, and Steve Patrick.

I am including here, the cards that I know of, produced for the FMA, the Federal Managers Association. The cards have been issued by Chapter 216, Bureau of Engraving and Printing Craft Supervisors, since 1991. The card shown at right was produced at NAFEX'94 (see FM-4) and, to my knowledge has never been listed, i.e., given a SCCS number. It is 6.125" x 8" and obviously printed by the same people who did FM-4. Does the image on FM-6 look familiar? (FM-9A was illustrated in SCJ 22:1, p.23.)

Any additions, corrections or comments, as always, would be appreciated.

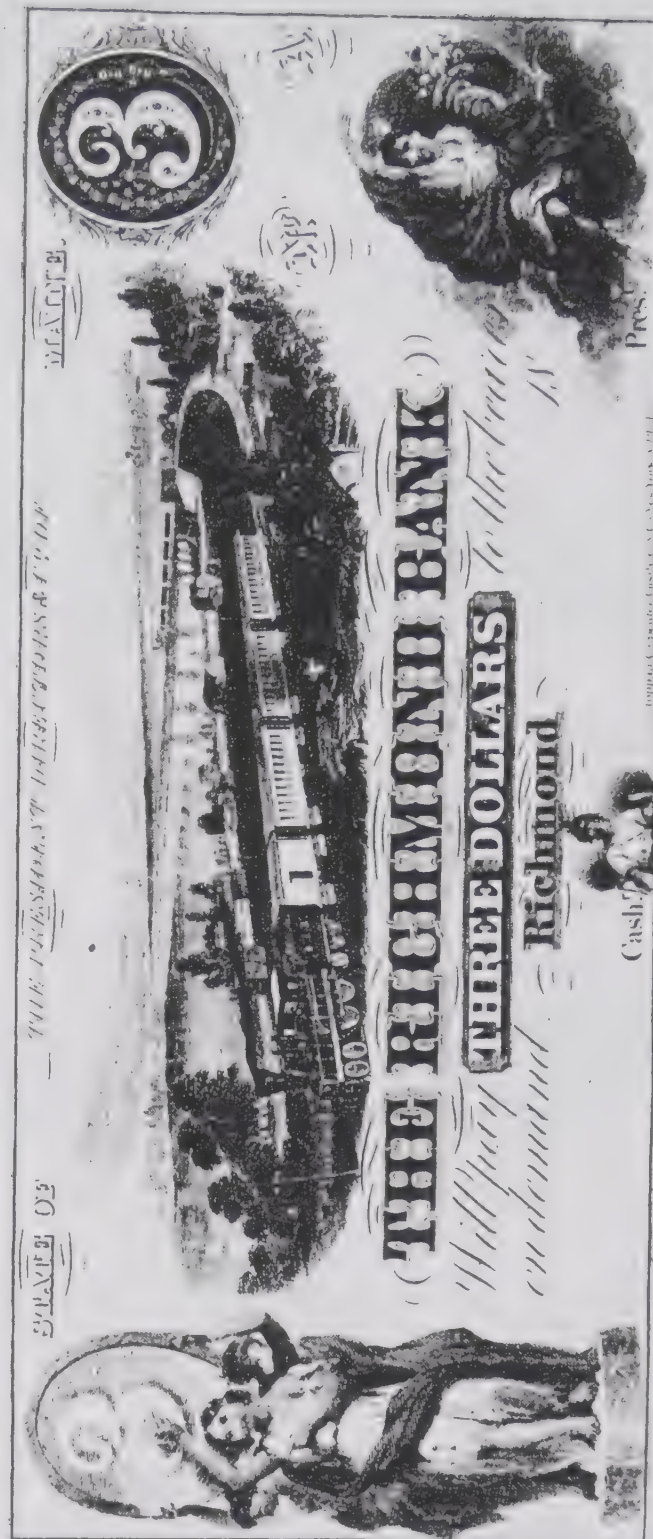

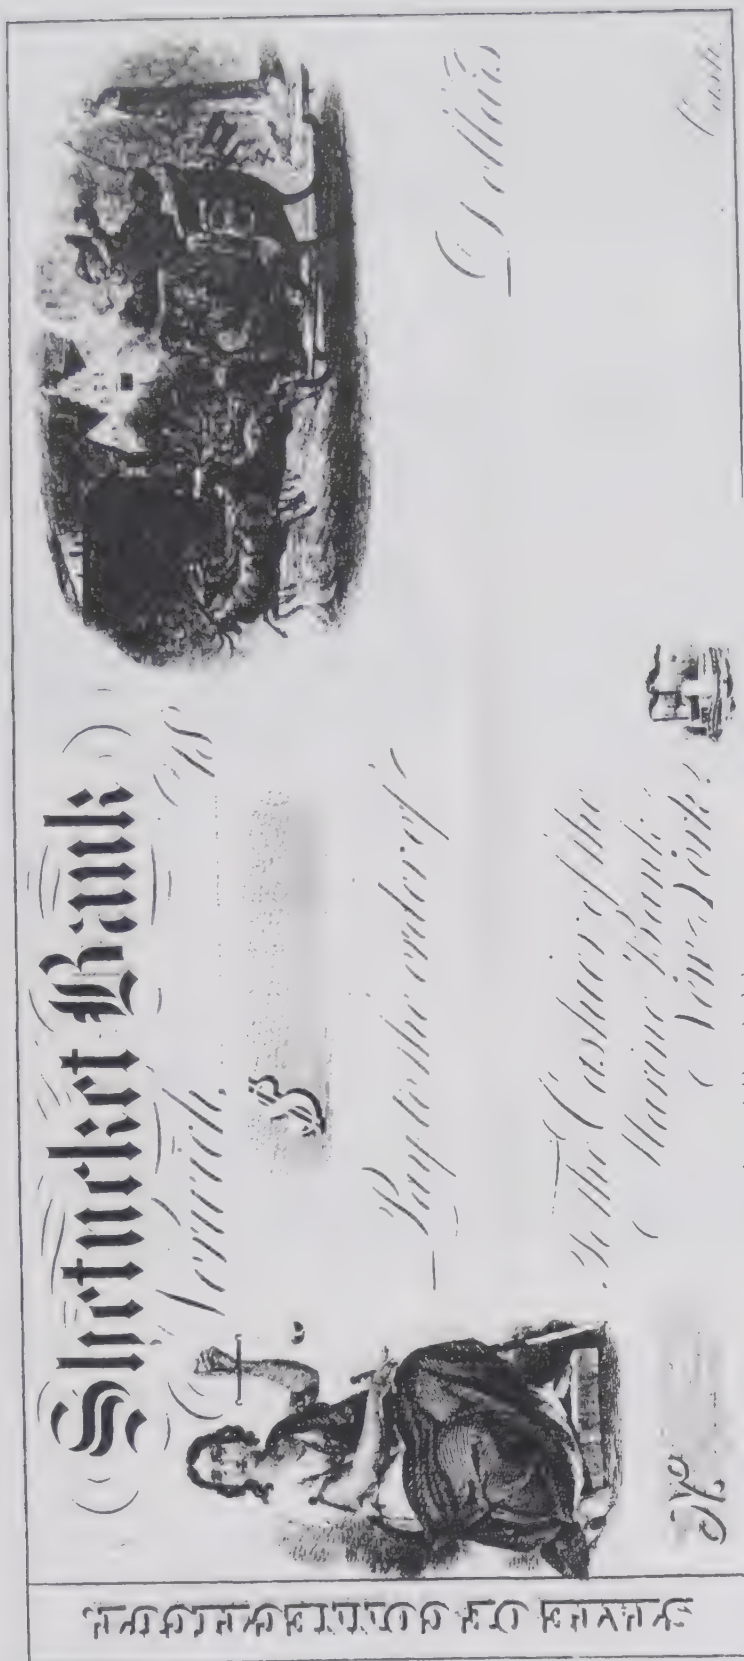

Plate images from Lot No. 1 (left) and Lot No. 2 (above), generously donated to the S.C.C.S. auction by John Wilson and his wife, Nancy. (See descriptions at the Lot numbers.)

There were eleven (11) bidders, three by mail and eight by e-mail, which proved to be quicker. As in before, most of these lots are one-of-a-kind duplicates, so it is advisable to bid early. **Closing date for this auction:**

**15 May 2007**

#### RULES:

1. Only souvenir cards or intaglio printed items are acceptable for consignment. Interested sellers should contact the "interim-auctioneer," i.e., me, with any questions and before sending any material. The best contact would be by e-mail: [kriebewv@drexel.edu](mailto:kriebewv@drexel.edu)

2. Any lot submitted should have a minimum bid indicated and include the correct SCCS numbers, for which the consignor is responsible. The minimum bid per lot is \$5.00. Material of lesser value should be grouped to meet the minimum. Material will be accepted for auction in the order received (after prior contact). The "interim-auctioneer" reserves the right to refuse material offered, especially in the case of duplication. Damaged material is NOT acceptable unless noted and "priced" accordingly..

3. Consignors will pay the postage to ship their lots and the return postage/insurance for unsold material. There is NO consignment fee, however, the SCCS will retain 10% of the selling price as a commission fee. Care shall be taken to protect any material submitted, but the "interim-auctioneer" and the SCCS assumes NO liability and the consignor(s) should verify and/or provide their own insurance coverage.

4. Lots will be sold to the highest bidder. In the case of tie bids, the first received will be awarded the lot. Bids below the "minimum bid" listed are NOT accepted. Bid in \$1.00 increments only, i.e., NOT "cents."

5. Successful bidders are to remit payment in full (U.S funds) within one week of invoice date, which include the postage and insurance for their lots. There is NO buyer's fee, but NO material will be shipped until the invoice for same is paid in full. Late payment may disqualify the bidder from participation in future auctions. Checks should be made out to the auctioneer NOT the SCCS.

6. Returns are acceptable within ten days of receipt of shipment. Please specify reason for return (damage, mis-attribution, etc.). Mistakes on bidder's part are

not sufficient reason for return.

7. Any questions, use e-mail address above, or write.

(Note: SCJ volume numbers happen to correspond to the year, i.e., 1:1 is 1981, volume 1; 11:1 is 1991, volume 1, etc., this is our 27th year, this issue is 27:1.)

I apologize for the errors in the lot numbers for the last auction. Apparently the gremlins got into the list somewhere along the way, but, fortunately those who bid managed to overcome the problem.

**Lots remaining from the two previous auctions are available at the "minimum bid" price until the closing date for this auction, i.e., 15 May 2007.** Again, the items listed in this auction are from my own duplicates, NOT my collection. When more than one copy is available, they will be sold if there is more than one bid on a lot.

In this auction there are a number of lots which are donations to the S.C.C.S.. They are marked by a "•" after the lot No. Please note: Most of these lots are one-of-a-kind. Lots Nos. 1 & 2 (images at left) were printed by Mike Bean from the original plates owned by John Wilson and his wife Nancy, who have generously donated the cards to the S.C.C.S. It should be noted that only 10 of each was made and these are "09/10". Mike has blind embossed his spider press symbol in the lower right hand corner.

# THE MIKE BEAN CARDS—2

William Kriebel (27)

The first part of this list—my attempt to list most, if not all of the prints made by Michael Bean—was included in this Journal at the end of 2002 (see SCJ 22:4, pp. 19-22). Since then additional cards have been produced as well as further information on some of the numbers. As a result, I went back to 2001 and updated the information that I have, up to and including the card pictured (see p. 4).

As before, I have used the “proposed” numbers that

I have used in identifying the cards in the “Visual Reference” series, i.e., the SCCS cards are “N”, the Washington Chapter One cards are “W”, the Metro Chapter Four cards are “M”, the Facilities Management cards are “FM”, and the cards produced for Lee Quast are “Q”.

Any additions, corrections, or comments would be appreciated.

## SCCS Mini-Auction No. 2 Prices Realized

William Kriebel (27)

There were eleven (11) bidders in this auction. Five of the lots were duplicated, so more than one bidder was able to obtain them. Lots 1 through 104 brought \$974.00, while lots 105 through 113 brought \$87.00 resulting in \$184.40 to the S.C.C.S. treasury. It was

easiest to deal with e-mail bids and certainly faster in transmission, i.e., tie bids were awarded to the first received as per the "Rules." There are some more nice "donations" in Mini-Auction No. 3 in this issue. Bid early!

## SOUVENIR CARDS AVAILABLE OR FORTHCOMING AND MAJOR SHOWS

This listing is intended to alert the membership and serve as an update of the SCCS numbering system. Numbers are shown in "( )" until confirmed and will be deleted when no longer available ("N.A.") from the initial sources. It is as complete as possible and no responsibility is taken for changes. **Anyone who can supply missing ("??") information and/or data concerning availability should please contact the Editor.** I also list other forthcoming shows. Whether or not souvenir cards will be issued at these shows will be reported if and when such information becomes available. Cards issued prior to 2006 have been deleted from this list. Some Chapter One and Chapter Four cards may still be available. Contact the Chapter(s).

### Notes:

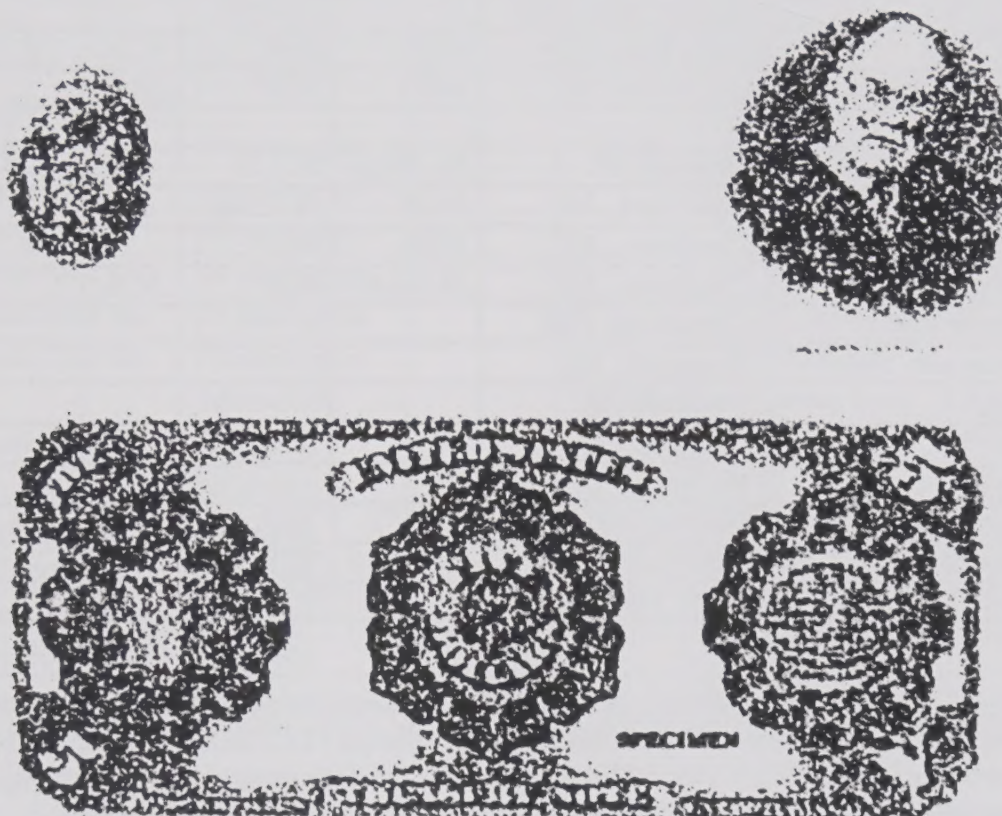

1. This large card (\$2.00 extra per mailing) is also available canceled: M-44a (Wonders of America, FDOI & 2 sc on 3 stamps) @ \$12.00; M-44d (Diplomats SS of six stamps FDOI & 3 sc) A \$15.00; M-44e (Four FDOI color cancels on 4 stamps) @ \$35.00; and M-44f (Four FDOI black cancels on 4 stamps) @ \$10.00. M-44b (Champlain) and M-44c (\$8.00 SS) are sold out.
2. Large cards are \$2.00 extra per order.
3. Limit of one (1) card per member.
4. These two (2) cards, "Five Dollar Reflections," were offered by subscription only at \$35.00 with orders required to be placed by 16 March (FDOI for ANA, Charlotte) to "guarantee" fulfillment. The BEP website indicates that the subscription was available on 27 February, but I did not find it as of 1 March. The "Ten Dollar Reflections" (2006) were "sold out" almost as soon as they were issued as a "subscription." It is understood that their current policy limits the quantity printed to advance orders or the cards sold at the shows.
5. There are no current plans to issue a FMA card this year.
6. The three "Ten Dollar Reflections" cards "sold out" very quickly and will be deleted from the next listing. Their respective handprints (available only at the shows) have been deleted from this list.

**ANA WORLD'S FAIR OF MONEY SHOW - MILWAUKEE, WISCONSIN**

**AUGUST 2007**

The Bureau of Engraving and Printing (BEP) participates in various numismatic exhibitions throughout the year, wherein we offer intaglio prints to commemorate our attendance. The BEP is pleased to introduce its 2007 Intaglio Print Subscription Program, "Five Dollar Reflections." Each card will be released in conjunction with the BEP's participation at the specific event listed on the Exhibitions Schedule on the next page of this release. These commemorative prints represent an exquisite compilation of unique engraved currency and vignettes reflecting the age old art of intaglio printing.

The two cards selected for this year's exhibition program feature a \$5 United States Note, Series 1880 (back), and a \$5 Treasury Note, Series 1891 (back). Each card will also feature vignettes and portraits representative of the location where the event will be held.

The copying of this print is restricted by Title 18, U.S.C. which prohibits the unauthorized reproduction, in whole or in part, of currency, postage stamps, or other securities of the United States.
